WELCOME TO THE TRIGONOS GUIDE FOR GROUP ORGANISERS!

We are delighted that you are considering booking with us and hope that this guide contains all the information you need to help you to make a decision and, should you decide to book, to walk you through the process from your initial enquiry to the start of your stay.

Trigonos provides a perfect setting for many different types of workshop, training or event with its 18 acres of land on the edge of a lake with an uninterrupted view of Snowdon and its range of meeting rooms and workspaces.

Group leaders say that what they value about Trigonos is: the warm reception and friendliness of the Trigonos team; the fantastic vegetarian food and the way we cater for special diets; the comfortable but affordable residential accommodation and the freedom they feel in being able to arrange their programme the way they want to whilst getting unobtrusive support as and when they need it.

Our prices include many items normally seen as 'extras'. At Trigonos, there are no hidden costs so you can draw up a budget and keep to it.

Trigonos is:

- *Open to all people who are seeking a calm, nourishing and inspiring environment*
- *Rooted in sustainability and socially responsible values*
- *Committed to working holistically with our visitors, team, suppliers & local community*

This guide contains materials designed to provide you with all the information you need to make a decision and to plan your visit. However, if you want to know anything more, please do get in touch by phone or by email, and we will always be happy to help.

Semi-Exclusive use:

Groups of 16 – 23 participants will be able to book a maximum of 16 rooms leaving a further 7 bedrooms for another group to book. You will be the priority booking and able to choose your bedrooms and meeting room, and it may be possible to make small adjustments to meal times. We recommend that you share information about your course with us so that we can match groups appropriately

Exclusive use:

Please read it carefully, complete & sign to indicate your acceptance*

Trigonos seeks to work in a way that will support your visit as fully as possible and to this end, we have specified the terms, conditions and responsibilities that pertain to your stay. These are set out below.

THIS AGREEMENT is made between TRIGONOS and XXXX (name of group leader / organiser) on behalf of YYYY (name of group).

It covers a booking for the following dates:

CONFIRMED BOOKINGS

A booking is confirmed upon receipt of a fully completed booking form, a signed Terms & Conditions document and the payment of the initial deposit. These need to be received by Trigonos within three weeks of the date of the provisional booking or the provisional booking will lapse. In this event, Trigonos reserves the right to offer the dates to other groups.

BOOKING FORM

All sections of the booking form need to be completed in full and signed by the group organiser, or someone nominated by him/her.

BEDROOMS

The allocation of people to bedrooms is the responsibility of the group organiser. Additional bedrooms, if required, can be booked at any time (subject to availability). Trigonos may let bedrooms & workspaces not reserved by the group to other visitors unless 'exclusive use' is agreed.

Bedrooms must be vacated by 9.30am on the day of departure unless otherwise agreed in writing and in advance. Luggage may be left in the main sitting room until the time the group leaves.

Separate costs apply to any group member that is non-resident – details will be discussed and the daily rate agreed once it is known what meals and any other facilities they will require.

ESSENTIAL DIETARY REQUIREMENTS

Trigonos has a good reputation for meeting essential dietary requirements. But to do this, we rely on the information given to us by the individuals concerned via the group leader. The "Essential Dietary Requirements" form must be completed and sent to Trigonos at least 14 days before your visit to enable the catering team to plan menus and purchase any necessary special food. Trigonos cannot accept responsibility for meeting dietary needs if the information is not provided.

When you arrive

Arrival:

It is important that groups do not arrive before the agreed time to ensure that all the cleaning and preparations are completed and that there is a Trigonos host to greet you and your group. If you, as the group leader, need to arrive early to set up your workroom(s), then please confirm this in advance. We will always do your best to make this possible.

Office hours and responsibility for your group:

The Trigonos office is normally open from 9-5 Mondays to Saturdays and 9-3 on Sundays (unless it is an arrival day). During your stay, members of our team will all do their best to assist you if you need anything. We do not, however, have resident staff – the place is for you to make your home whilst you are here – but one of our senior team is always available and can be reached out of office hours, in the case of anything that needs urgent attention.

For most eventualities you, as group leader, will carry responsibility for your group (see sample agreement above)

Meals:

- Breakfast 8am
- Morning break 11am
- Lunch 1pm
- Afternoon break 4pm
- Evening meal 7.00pm

If you need to change these times, please discuss this with us before you arrive so we can make the necessary arrangements in advance. Please note that we are not able to serve breakfast before 8am or the evening meal after 7pm.

A note on sharing the space:

If your group doesn't have exclusive use, then it is likely that there will be other visitors staying at Trigonos (either another group or B&B guests). You will have been told of this in advance and we will always do our best to ensure that arrangements work well for all concerned. Where there are two groups, we will introduce the group leaders on arrival and have a 3-way discussion to ensure that any concerns are able to be raised and any necessary adjustments agreed.

Welcome talk / orientation:

On arrival you and your group members will be met at our reception, taken to their bedrooms and shown where the various facilities (the dining room, library, quiet room and work rooms) are. Tea and a 'sweet treat' will be available from 5pm on the day of your arrival. At an agreed time (between 5 and 7pm) one of our team members will give a brief talk designed to: welcome the group; share a little background about Trigonos; explain any comfort, health & safety issues and to answer any questions the group members may have.

Communications during your stay:

If there are messages from Trigonos to you as group leader, or to any of your group members, these will be left on a noticeboard in the main house. Similarly, any messages from you or your group can be left for the Trigonos team. All messages will be picked up regularly. Guests have access to wi-fi and though mobile phone signal is poor, there is a pay phone available for guests.
